THE BANQUET TO PRESIDENT TAFT

President Taft's visit to the Ohio Valley Ex-
position began yesterday morning at 11:30
o'clock, when he started on his hurried walk
through the exhibit halls, merely getting a
glance at the products on display. The portly
and smiling Executive was accompanied by a
special committee, and at 12:30 he, with 200
other invited guests, sat down to a delightful
informal luncheon in the Lagoon Dining-hall,
which was prettily decorated for the occasion.
The luncheon, while informal, was served in
five courses, and each of the 200 guests, for
the third course, was served with a whole
broiled chicken, with peas and petit fried pota-
toes, on the side, garnished. The dessert
course consisted of white icecream "Billy Pos-
sums" and cakes in the exact shapes of sweet
potatoes, which was a complimentary hit at
the President for his love of "possum and
taters."

The Maysville delegation was seated at the
President's table, those present from here be-
ing Hon. James N. Kehoe, Captain C. M. Phis-
ter, Postmaster Clarence Mathews and the Ed-
itor of THE PUBLIC LEDGER and Congressman
Bennett of Greenup.

An Italian orchestra dispensed the music.
Punch, Barbarossa beer, cigars and cigarettes
ended the feast.

President Taft then delivered his address on
"Improving the Ohio River" to 6,000 people
packed in Music Hall.

NOTICE TO THE PUBLIC

This is the Last Week of the
Ohio Valley Oil and Gas Com-
pany's Special Offer

The books of subscription to stock in the
Ohio Valley Oil and Gas Company will close
Saturday night, September 24th. This is the
last week that shares of stock will be sold at
the low price the stock is offered to the syndi-
cate, viz., 3,250 shares for \$100

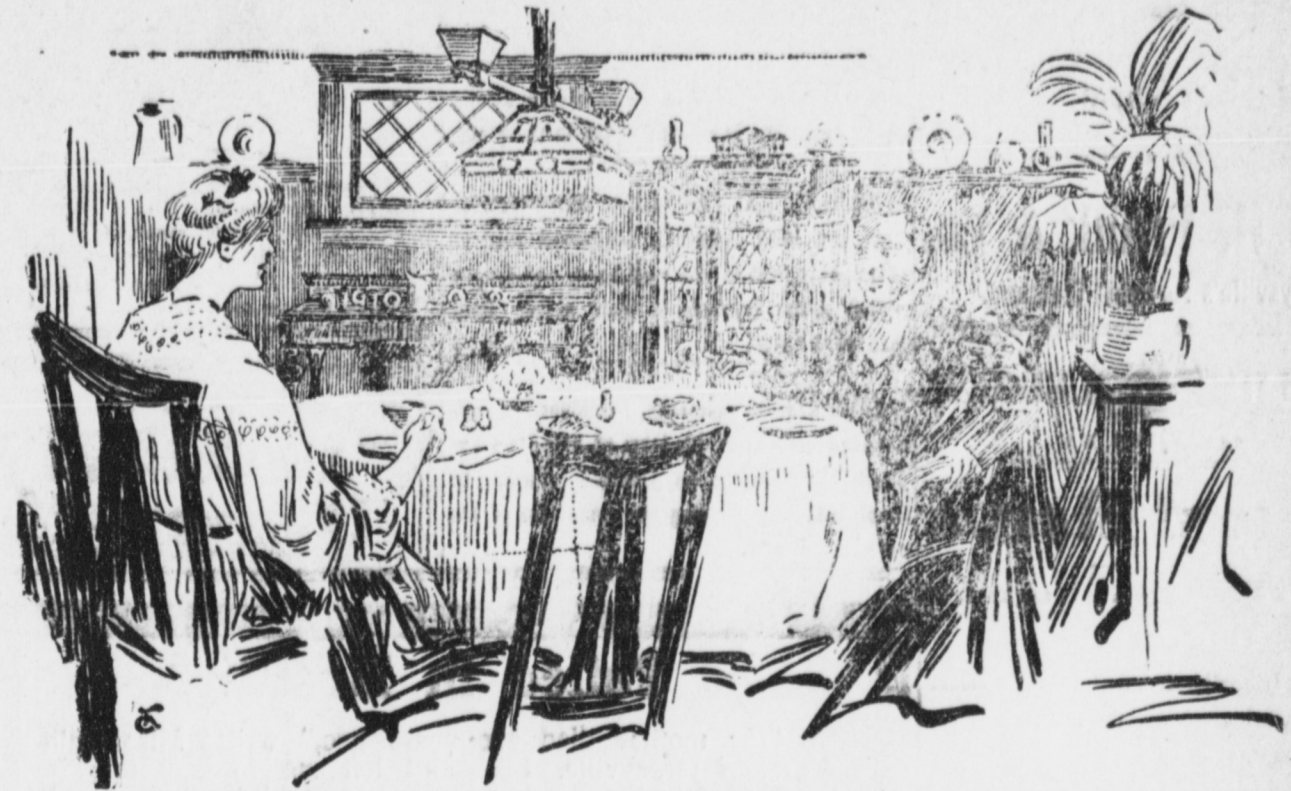

After this week the shares will not be sold
for less than 25 cents each for Treasury stock
and no further extensions will be granted after
Saturday night, as the books will positively be
closed and the stock all subscribed, so that
operations may begin and the work of boring
for oil and gas started.

The indications are flattering that there is
an abundance of both oil and gas in this terri-
tory, as this Company has 20,000 acres leased
in this and adjoining counties.

Thirty-eight hundred dollars of the necessary
\$5,000 worth of paid-up stock in this million-
share Company has already been subscribed
for, and the men behind the proposition mean
business and are fully able to answer all ques-
tions and criticism concerning the whole mat-
ter.

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:
"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong, and this, with the shock of her death, was too much for me.
"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains.
"A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

PHYSICIANS ARE NATURALLY PREJUDICED against proprietary or advertised medicines, as the sale of these remedies decreases their incomes.

However, this may be, the general public is benefited by the use of such standard medicines as Lydia E. We are very glad to say, however, that there are hundreds of honest physicians in the United States who do not hesitate to recommend such medicines.

MEN'S MEETING

Delightful Gathering at Third Street M. E. Church Last Evening

The men of the Third Street M. E. Church had a great meeting last evening. A large number responded to the call and the meeting was of just the character to suit men. Rev. Harrop as Chairman made things go. He made the men sing and then had some men speak who surprised every one present with their wonderful flow of oratory.

It was a sort of farewell to Rev. Harrop as well as a greeting to the new Pastor, Rev. Overly.

Rev. Overly was introduced and delivered himself of a very neat and appropriate speech. The men assured him of their determination to stand by him in the work of the Church.

In his concluding remarks, Rev. Harrop urged the men to a more active interest in the business affairs of the Church and to systematic giving.

The ladies served coffee and cake, which was a delightful climax to a very pleasant evening.

Bad Breath

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. I therefore let you know that I shall recommend them to any one suffering from such troubles."—Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

In addition to her excellent scholarship and her enthusiasm for her work, Miss Adamson has a strong personality, all of which is making her a successful teacher.

While at Wellesley she was prominent in athletic circles and while at Hamilton she will assist Miss Margaret Moore in managing the outdoor sports of the College girls. Teams in tennis, battle ball, volleyball and similar games are being organized. Miss Mary E. Sweeney, who has been con-

ANNUAL REUNION

Notable Gathering of Civil War Veterans in This City Yesterday

Twenty-Second Reunion of Tenth Cavalry and Sixteenth Kentucky Infantry

The annual meeting of the surviving members of the Tenth Cavalry and Sixteenth Kentucky Infantry was held in this city yesterday, being the twenty-second reunion since the organization of the Association in 1888.

The assemblage was a notable one and of good presence, notwithstanding the greater number are in the sere and yellow leaf of old age. The gathering was composed of old soldiers, many being accompanied by their wives and daughters.

The meeting was held in Neptune Hall and was called to order at 10:30 o'clock by F. M. Harover, President of the Association, after which the Rev. T. P. Degman invoked Divine guidance on the deliberations of the session.

In the absence of Secretary C. C. Degman, who is in attendance upon the Grand Encampment at Atlantic City, Assistant Secretary A. M. January acted in his stead.

The first order of business was roll call and reading of minutes.

On motion the following were elected a Board of Administration: John E. Wells, Thomas J. Wood and C. C. Degman.

Reports and communications were read in order, following which a collection of \$10.25 was taken up to defray current expenses.

During an interim at this point of business affairs Comrade Philip Yago of Covington, a member of Company D, Tenth Cavalry, and bugler of the battalion, aroused enthusiasm by sounding several Cavalry calls, winding up with playing "My Old Kentucky Home."

The next order of business was the election of officers for the ensuing term, with the following result—

President—Captain W. E. Ellis, Manchester, Ohio.

First Vice-President—G. W. Oldham, Maysville.

Second Vice-President—D. E. Staggs, Flemingsburg.

Secretary and Treasurer—C. C. Degman, Springdale.

Assistant Secretary—A. M. January, Maysville.

Chaplain—Thomas J. Wood, Tilton.

The membership of the Association is fast dwindling away, thirty-three having died during the past year. At that rate it will be but a few years until the last one of the Association will have passed away.

Interesting talks and speeches were made by various members, the most humorous being that of Captain Thomas A. Davis in introducing Mr. Daniel Perrine, one of John Morgan's gallant soldiers, to members of the Association.

The following resolutions were passed— Resolved, That this Association thank Mr. H. L. Newell, as Custodian of the Hall of the Neptune Fire Company, for the use of their Hall as the meeting place of this Association; and further, that the resolution be made a part of the minutes of the Association and Mr. Newell notified of this action.

Be it further resolved, That the thanks of this Association are due Joseph Heiser Post No. 13, G. A. R., for the use of their Hall, so generously tendered, and to Comrade John Boyer for his kindness in preparing the Hall for the use of this Association.

The next meeting of the Association will be held in this city the third Wednesday in September, 1911.

After the benediction by Chaplain Wood the meeting adjourned.

The following is the roster—

Clergyman's Son's Testimonial of Tuberculosis Cure

To neglect a cold, bronchitis, lung trouble or Consumption is dangerous. We all know how prone people are to deny they have Consumption. It is a baffling disease, and the sufferer is filled with bright hopes of improvement. Call Consumption by its own dread name—and then—take Eckman's Alternative, because it is effective in Tuberculosis. No one need doubt about it—there is plenty of evidence from live witnesses. Investigate the following: Amenit, N. Y., July 9, 1909.

Gentlemen: Prior to Feb., 1908, I was located in Rochester, N. Y., suffering with LaGrippe, which developed into Tuberculosis. My physician gave me one month to live. I was having terrible night sweats and mid-day chills and losing flesh rapidly, having gone from 155 to 135 lbs. I coughed and raised continually and became so weak that walking a few feet exhausted me. On my return home, my regular physician gave me little encouragement. My father, who is a clergyman, heard of Eckman's Alternative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually diminished and in a few days I developed an appetite. The first in months, I am now in perfect health, back to 155 lbs. I feel certain that I owe my life to Eckman's Alternative.

E. H. COWLES. Eckman's Alternative is good for all Throat and Lung troubles, and is on sale in Maysville by J. Jas. Wood & Son and other druggists. It can also be obtained at or procured by your local druggists, ask for one of our Cases or write for Evidence to the Eckman Laboratory, Philadelphia, Pa.

Gas Light Talks—No. 10.

Natural Gas Coming.

As you know, we took up the question of natural gas for Maysville in yesterday's Talk.

It has been charged that this company has been trying to keep natural gas out of Maysville.

That charge is absolutely untrue.

Since its organization, we have been in constant correspondence with the Columbia Gas and Electric Company, which controls the natural gas pipe-line running through this section of the country, with a view to securing from it a supply of natural gas for this city.

And we have the correspondence to prove this statement, if proof is necessary.

We mention these things simply to show you that, far from trying to keep natural gas out of Maysville—

We have been doing our best to bring it in.

Maysville is going to have natural gas.

And, by the end of the present week, we shall be in a position to announce just when and at what rates we shall be able to give you this service.

It must be understood, however, that before we can serve you with natural gas, there is a great deal of work to be done on our present system.

As we told you yesterday, the distribution of natural gas requires larger, heavier and, consequently, more expensive piping than is required for artificial gas service.

For some time past we have been making extensions and replacements, with a natural gas service in view.

And when the time arrives for the turning of natural gas into our mains—

We shall be prepared to take care of your maximum requirements.

What we want to impress upon you, however, is the fact that we have, for years, been working to bring natural gas into Maysville, in accordance with the statement we made to the City Council away back in 1906.

Maysville Gas Company

Horace J. Cochran, President.
